

Dear Colleagues:

As we shared last week, all NYCHA employees are now eligible to receive the COVID-19 vaccine.

In partnership with the NYC Health Department, NYCHA is hosting two COVID-19 Vaccine Information Sessions. During each Session, a public health doctor will provide information about the vaccine, side effects, safety, and what to do after vaccination. There will be time for questions and answers to help NYCHA staff make informed decisions about vaccination.

The Sessions are open to all employees. Supervisors are advised to excuse interested staff to participate in one of the two sessions. Employees can join via Zoom or a dial-in number (audio only).

Click the link below during the scheduled Information Session to access the Zoom meeting. We recommend downloading Zoom (<https://zoom.us/download>) prior to the meeting.

NYCHA Employee COVID-19 Vaccine Info Sessions with NYC Department of Health

Monday, April 5th, 1:30 - 2:30 PM - on.nyc.gov/april5

Thursday, April 8th, 10 - 11 AM - on.nyc.gov/april8

Email Employee.Engagement@nycha.nyc.gov if you have questions about these Info Sessions.

For more information on how to schedule a vaccination appointment, please refer to guidance in the March 24th email. Visit nyc.gov/covidvaccine for the most up to date information on COVID-19 vaccines.

Sincerely,

Greg Russ
Chair & Chief Executive Officer

Vito Mustaciuolo
General Manager
